BRIEF ABSTRACT OF LETTER.

Forwards a copy of the resolution (M 211.8.09) agreeing to the rules for the conduct of business of Municipal Councils, with the exception of the last sentence of Rule 2(a), which they propose to have amended

NOTES AND ORDERS

The amendment of the second sentence of Rule 2(a), proposed by the Muzken Municipal Council cannot stand for the reason that under Sec 24(1)(a)

Serial
No.

and 25(2)(a), it is obligatory on the President and, in his absence, on the Vice President to preside at meetings of the Municipal Council. The rule proposed for adjourning important subjects from a meeting when the President or the Vice President does not attend is unnecessary. ~~But~~ A rule to that effect will indirectly mean the Councilors meet at a meeting are not able to deal with important questions in the absence the President or the Vice President. It is not unlikely that in certain cases that the presence of the President or the Vice President will be necessary. In such circumstances the Councilors - if the majority are so inclined - may adjourn the subjects. [Please see rule 29 of these rules].

2 The Municipal Council do not say when their monthly meetings will be held. Perhaps the last Saturday every month may be fixed.

3 The attendance of the Municipal Council may be invited to the commission as regards fixing a day for holding the meeting and the rules with the modification suggested may be approved. The modification does not seem to be inconsistent with the provisions of the Regn. It shall be the duty of the President and Vice President to preside at the meetings but if they are absent, the Council may ~~elect a chairman~~ choose a chairman and the rule provides that the chairman so chosen need not vacate his seat if the President or Vice President subsequently turns up.
